Same daily facts with immigrants are happening in Europe. In the most European countries the percentage of crimes has been sky rocketing and our future ...patriots are responsible for the 74% lowest to 87% highest of all crimes depending the country! A few countries which have block the immigrant's invasion have zero(0) increase in crimes by their local criminals. These

So, when do they release the haploid/age specific Ebola on us? Then the haploid/age specific non-cure? Isn't this what they practiced for the last time? Why are they waiting? Isn't it nearly time to cancel the election and force anybody who doesn't die to reside with other infected people until they do? Doesn't this sound like what happened in the apple state? Haven't they
